

A Horse With No Name America

[Verse 1]

On the first part of the journey
 I was lookin at all the life
 There were plants and birds and rocks and things
 There were sand and hills and rings
 The first thing I met was a fly with a buzz
 and the sky with no clouds
 the heat was hot and the ground was dry
 but the air was full of sound

[Chorus]

I've been through the desert on a horse with no name
 it felt good to be out of the rain
 in the desert you can remember your name
 'cause there ain't no one for to give you no pain
 La la la la lala la lala
 la la la

[Verse 2]

After two days in the desert sun
 my skin began to turn red
 After three days in the desert fun
 I was looking at a river bed
 And the story it told of a river that flowed
 made me sad to think it was dead

[Chorus]

I've been through the desert on a horse with no name
 it felt good to be out of the rain
 in the desert you can remember your name
 'cause there ain't no one for to give you no pain
 La la la la lala la lala
 la la la

Instrumental (chords as verse)

[Verse 3]

After nine days I let the horse run free
 'cause the desert had turned to sea
 there were plants and birds and rocks and things
 there were sand and hills and rings
 The ocean is a desert with it's life underground
 and the perfect disguise above
 Under the cities lies a heart made of ground
 but the humans will give no love

[Chorus]

I've been through the desert on a horse with no name
 it felt good to be out of the rain
 in the desert you can remember your name
 'cause there ain't no one for to give you no pain
 La la la la lala la lala
 la la la
